**Ask-It Basket** **1:40pm – 2:45pm**  
Members will grab numbers from a basket. Their number will dictate the order in which they will present their question, issue, or comments to the group. Members will have the option of “passing” if they feel their question has already been addressed. *(Facilitators help to support the process by checking in with the group to see what they are ready to move on to the next question. Group members primarily drive the dialogue, with facilitator prompts as needed. Members are reminded that if the time runs out before their issue/concern is selected for discussion, that issue can be taken into personal solidarity.)*
