Welcome to the Saturday Dialogue. Check in: share your name, your personal gender pronouns (PGPs), and something that came up for you about race over the last month.  
Read Communication Guidelines.

**Individual Reflection** **1:40pm – 1:50pm**  
*Typically the content begins with a brainstorm about the topic and a pair share.*

**Small Group Discussion** **1:50pm – 2:20pm**  
*Small groups may be presented with a set of deepening questions on the topic. Often, these sessions are focused on exploring our intersectionality between white privilege and another identity (religious affiliation, class, gender, etc.)*

**Large Group Discussion** **2:20pm – 2:45pm**  
*General share outs from small groups occur if groups worked on different questions. New questions are asked to the group. Broad question agendas take more time and skill to construct, as they need a logical flow of questions that are neither too focused, nor too expansive, that move from one section to the next.*

**Snack/Break** **2:45pm – 2:55pm**

**Personal Solidarity** **2:55pm – 3:25pm**
